

Module	Didactic (mm)	Skills (mm)	Video (mm) (individ+sum)	Didactic+Skills+Video (cumulative) hh:mm:ss	Course Daily Total (cum +mods=~8 hr day)
1 Principles & Application of TCCC			00:05:51		
	00:45:00	0:00:00	00:05:51	00:50:51	
2 Medical Equipment			00:01:39		
	00:45:00	0:00:00	00:01:39	00:46:39	
3 Care Under Fire			00:04:41		
			00:01:31		
			00:01:18		
			00:01:50		
			00:01:38		
			00:03:52		
			00:02:25		
	00:41:00	1:00:00	00:17:15	01:58:15	
4 Principles & Application of Tactical Field Care					
			00:03:36		
	01:30:00	1:30:00	00:03:36	03:03:36	
					06:39:21
5					

Tactical Trauma Assessment	00:45:00	1:30:00	00:00:00	02:15:00	
6 Massive Hemorrhage Control in TFC			00:01:58		
			00:01:43		
			00:03:38		
			00:03:43		
			00:02:12		
			00:03:48		
			00:03:19		
			00:04:46		
			00:03:21		
			00:03:38		
	01:30:00	3:00:00	00:32:06	05:02:06	
					07:17:06
7 Airway Management in TFC			00:01:51		
			00:02:24		
			00:02:39		
			00:04:15		
			00:01:38		
			00:00:00		
			00:02:00		
			00:03:10		

			00:04:35		
	00:45:00	2:45:00	00:22:32	03:52:32	
8 Respiration Assessment & Management in TFC			00:04:31		
			00:03:29		
			00:03:22		
	00:45:00	1:10:00	00:11:22	02:06:22	
9 Circulation/Hemorrhage Control in TFC			00:03:14		
			00:03:43		
			00:02:30		
			00:03:20		
			00:02:29		
			00:02:29		
	00:30:00	1:45:00	00:17:45	02:32:45	
					08:31:39
10 Shock Recognition and Management			00:04:20		
			00:03:08		
			00:02:09		
			00:02:16		
			00:03:40		

	00:45:00	2:00:00	00:15:33	03:00:33	
11 Hemorrhagic Shock Fluid Resuscitation in TFC			00:04:25		
			00:04:04		
			00:04:46		
			00:04:47		
	01:45:00	4:00:00	00:18:02	06:03:02	
					09:03:35
12 Hypothermia Prevention and Treatment			00:02:18		
	00:30:00	0:30:00	00:02:18	01:02:18	
13 Head Injuries					
	00:30:00	0:00:00	00:00:00	00:30:00	
14 Eye Injuries			00:03:06		
			00:02:08		
			00:01:24		
	00:30:00	0:30:00	00:06:38	01:06:38	
15			00:01:50		
			00:01:39		
			00:04:45		

Pain Medications (Analgesia)					
			00:04:02		
			00:04:37		
	01:00:00	2:00:00	00:16:53	03:16:53	
16 Antibiotic Administration			00:01:51		
	00:30:00	0:00:00	00:01:51	00:31:51	
17 Wound Management			00:02:21		
			00:02:16		
			00:02:44		
	00:30:00	1:00:00	00:07:21	01:37:21	
					08:05:01
18 Burns					
	00:30:00	1:00:00	00:00:00	01:30:00	
19 Fractures			00:03:34		
			00:03:03		
	00:30:00	1:00:00	00:06:37	01:36:37	
			00:03:06		
			00:01:50		

20 Casualty Monitoring			00:01:25		
			00:01:30		
			00:01:51		
			00:02:02		
			00:02:09		
			00:02:07		
	00:30:00	2:15:00	00:16:00	03:01:00	
21 Communication			00:03:23		
	00:45:00	0:30:00	00:03:23	01:18:23	
					07:26:00
22 Cardiopulmonary Resuscitation in TFC			00:04:32		
	00:15:00	0:30:00	00:04:32	00:49:32	
23 Documentation			00:08:06		
	00:15:00	0:45:00	00:08:06	01:08:06	

24 Prepare for Evacuation			00:01:23		
	00:30:00	0:20:00	00:01:23	00:51:23

Skill Instruction
Day 1
N/A
N/A
N/A
One-Handed Windlass Tourniquet Application
One-Handed Ratchet Tourniquet Application
Two-Handed Windlass Tourniquet Application
Two-Handed Ratchet Tourniquet Application
One-Person Drags and Carries
Two-Person Drags and Carries
Communication of Casualty Information
Tactical Field Care Casualty Collection Point
Day 2
Tactical Trauma Assessment Instructor Led Demonstration with Q&A

Two-Handed Windlass Tourniquet Application in TFC
Two-Handed Ratchet Tourniquet Application in TFC
Improvised Limb Tourniquet
XSTAT®
Neck Junctional Hemorrhage Control
Axillary Junctional Hemorrhage Control
Inguinal Hemorrhage Control with Improvised Junctional Pressure Delivery Device
SAM® Junctional Tourniquet
Combat Ready Clamp (CRoC)
Junctional Emergency Treatment Tool® (JETT) Tourniquet
Application of Wound Closure Device
Day 3
Airway Maneuvers - Head-tilt/Chin-lift
Airway Maneuvers - Jaw-Thrust
Nasopharyngeal Airway
One Person and Two Person Bag-Valve-Mask
Recovery Position
Manual Suctioning
Mechanical Suctioning
Extraglottic Airway (igel®)

Cricothyroidotomy (Open Surgical) Cricothyroidotomy (CricKey®) Cricothyroidotomy (Bougie-Aided)
N/A
Chest Seal
Needle Decompression of the Chest
N/A
Wound Packing and Pressure Bandage
Tourniquet Replacement
Tourniquet Conversion
Pelvic Compression Device
Improvised Pelvic Compression Device
Day 4
N/A
Saline Lock (Field-Ruggedized)
FAST1® Sternal Intraosseous (IO) Device
EZ-IO® (Humerus) Intraosseous (IO) Device
EZ-IO® (Proximal/Anterior Tibia) Intraosseous (IO) Device
EZ-IO® (Distal Tibia) Intraosseous (IO) Device
Tranexamic Acid (TXA) - Administration
Administration of Intravenous (IV) and Intraosseous (IO) Fluids

--

--

N/A

Tactical Field Care Determining Blood Type
--

Donor Blood Collection

Administration of Blood Products

--

--

Day 5

Hypothermia Prevention and Treatment

--

--

N/A

--

--

N/A

Penetrating Eye Injury

Eye Trauma Rapid Field Test of Visual Acuity
--

--

--

Oral Medication Administration

Sublingual/Translingual Medication Administration

Transmucosal Buccal Medication Administration

Intranasal Medication Administration

Intramuscular Medication Administration

Auto-Injector Intramuscular Medication
Intravenous Medication Administration
Intraosseous Medication Administration

N/A

Open Abdominal Wound
Impaled Object
Amputation Bandaging

Day 6

Burn Treatment
Fluid Resuscitation for Burns

Malleable Splint
Rigid Splint

Alert, Responds to Verbal, Responds to Pain, Unresponsive (AVPU) Assessment
Radial Pulse Assessment

Carotid Pulse Assessment
Posterior Tibial Pulse Assessment
Respiratory Rate Measurement
Dorsalis Pedis Pulse Assessment
Femoral Pulse Assessment
Pulse Oximetry (SP02) Monitoring and Assessment
Electronic Monitoring
Colorimetric/End-Tidal CO2 Monitoring
Prepare and Transmit 9-Line Medical Evacuation and Mechanism of Injury, Injuries, Symptoms and Treatment Report

Day 7
Bilateral Needle Decompression of the Chest
DD FORM 1380 Tactical Combat Casualty Care (TCCC) Card
Tactical Combat Casualty Care (TCCC) After Action Review (AAR) Completion and Submission

Casualty Preparation for Evacuation
Day 8

Video Title
Intro to Tactical Combat Casualty Care (TCCC) Overview
Combat Application Tourniquet (CAT) Quick Launch Configuration How-To
Care Under Fire Hemorrhage Control Overview
One-Handed Windlass Tourniquet (Care Under Fire) How-To
One-Handed Ratchet Tourniquet (Care Under Fire) How-To
Two-Handed Windlass Tourniquet (Care Under Fire) How-To
Two-Handed Ratchet Tourniquet (Care Under Fire) How-To
